

24TH NOVEMBER BOWTIE, BLING & TRIVIA NIGHT @ THE BUNYAS

Join us for a night of fun and fundraising for Youngcare. Peter Hintz, one of our Bunya Mountains family suffered a brain tumor in his 20's followed by several strokes. Peter is now in his 50's and since his last bleed of the brain in August this year, now faces the issue of being placed in an aged care facility as he requires full time care. Jen his wife has accepted the challenge to complete the Yukon Adventure for Youngcare to raise money to find more appropriate accommodation for young people and get them out of aged care!! The Bunya Mountains community are banding together to help Jen in her quest. Everything has been donated and every cent will go towards Jen's quest.
